

Anwen Williams

I am a self-motivated and enthusiastic learner web developer, ready to put my skills to work in a developer role. With a creative outlook, keen attention to detail, and team communication skills, I take pride in making attractive, functional projects. Digital skills include HTML, CSS, JavaScript and Adobe software including Photoshop and Illustrator.

||||| CODEBAR BRIGHTON |||||

ORGANISER June 2018 – present

Volunteering on the organising team, keen to contribute to codebar's growing success.

- Coaching beginners in HTML/CSS
- Ensuring the smooth running of weekly workshops
- Liaising with hosts and sponsors
- Welcoming/communicating with attendees and handling enquiries

STUDENT April 2017 – present

Attending weekly sessions, I have quickly built on existing HTML/CSS skills and gained further experience in JavaScript and jQuery, as well as:

- Lately teaching myself SCSS and learning WordPress and PHP
- Demonstrating self-initiated projects at codebar/CodePen Brighton
- Attending weekend workshops including:
 - » **Git workshop**, practical intro to version control and collaboration
 - » **24 Pull Requests**, contributing to open source projects on GitHub
 - » **WebGL 3D**, basics of rendering and interaction with three.js

||||| WORK EXPERIENCE |||||
